# STOP MOTION ANIMATION WORKSHOPS

CREATE YOUR OWN CLAY ANIMATION MOVIES!

## LIGHTS, CAMERA, ACTION!

### ANIMATION IS ALL ABOUT CREATIVITY AND HEAPS OF FUN!

Toonworld invites children of all ages to discover the exciting world of Stop Motion Animation and experience the magic of film production. Learning Animation offers the following benefits to children:

- Fostering teamwork.
- Developing effective communication skills.
- Demonstrating patience and understanding.
- Appeals equally to boys and girls alike.
- Practice critical thinking.
- Problem-solving.
- Learning the value of roles and responsibilities.
- Discovering new found skills and inspiration.

## HOW WE DO IT!

In this simple yet exciting 90 minute workshop, kids will learn useful concepts and techniques to animate effectively.

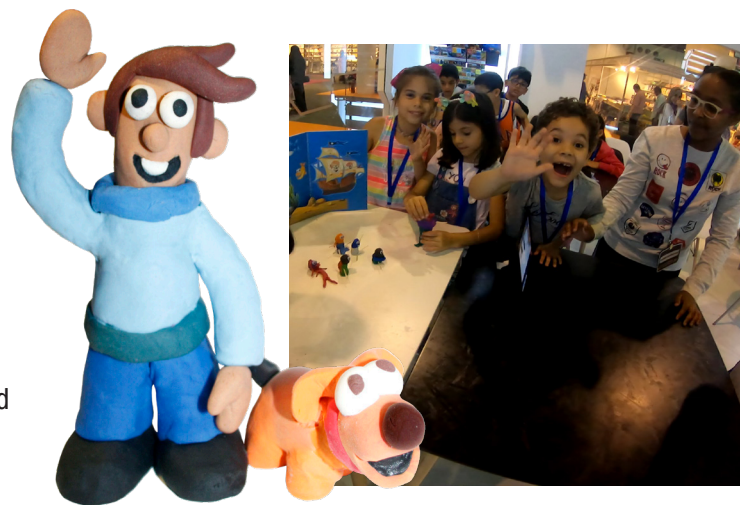

We provide all workshop materials!

## TOONPRENEURS

Toonpreneurs are our teachers. They are engaging and expertly trained in Toonworld's highly effective curriculum that guides kids to produce their own pieces of movie magic.

## TERM WORKSHOPS

To further your students education, Toonworld offers customized weekly programmes in Animation and Cartooning, perfect for after school care centres and school extracurricular activities.

# CARTOONING WORKSHOPS

CREATE YOUR OWN DESTINY WITH ALPHATOONS

## DEFEAT THE ENEMY WITH THE POWER OF CREATIVITY

There are no erasers because there are no mistakes, erasers are the enemy! We give the kids the power to believe their pencil is the "Sword of Destiny" and can defeat the enemy who is willing to rub out all the kids creations. Toonworld invites children of all ages to come on a journey filled with creativity and drawing challenges. They will meet the Alphatoons and help defend the lands against the Evil Rubbix and his rampaging stickman army!

## MAKING A DIFFERENCE

Toonworld conducts cartooning workshops that really make a difference:

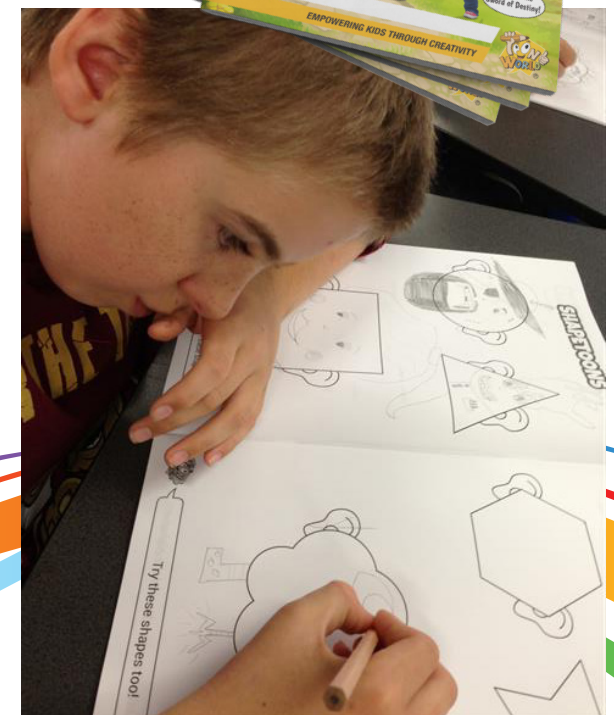

- Enhance kids creativity.
- Think outside the box.
- Confidence in their abilities.
- Builds self-esteem.
- Develops skills in concentration.
- Hand-eye co-ordination.

## ACTIVITY BOOK

To defend Toonworld each child receives an amazing, full-color drawing activity book which will guide them on their creative journey with various drawing activities along the way.

## OUR STAFF

Our staff are also talented illustrators who are committed to the vision that they will give kids an experience they will never forget! They all have necessary working with Children Checks and Public Liability Insurances.

# TOONWORLD WORKSHOPS ARE DESIGNED FOR

SCHOOLS, HOLIDAY PROGRAMMES, SHOPPING CENTERS AND FESTIVALS

## TESTIMONIALS

*"If you were thinking of teaching your students how to create animations, then I would highly recommend that you use Toonworld to introduce the concept to your students"*

Debbie Riddle - Year 3 coordinator Christian College Junior School VIC

*"You were great and the kids enjoyed this experience. Children were able to gain confidence skills by drawing as "Everything is Perfect" And there are no "Mistakes" They were great with the children. Thank you"*

Holsworthy Primary School NSW

*"The Toonworld incursion was fantastic today! All the students from Foundation to Grade 6 were highly engaged and couldn't wait to draw more cartoons. Thank you and I would definitely recommend to others."*

Simone Struwig Kinglake - West Primary School WA

*"One of the best incursions I have seen presented in 20 years of school holiday programs. The children even 11,12 year old's loved it and went away with skills they didn't know they had."*

Brian - Garran OSHC ACT

*"Our children loved their time with the cartoonists and creating their own destiny!"*

Katie - Epping Before And After School Care NSW

*"We partnered with Toonworld for our 'Animation Exploration' school holiday activity and it was fantastic! Kids and parents alike loved the interactive and educational element of the workshops and we received great feedback. It's absolutely something we would do again!"*

Elisha - Westfield Carindale QLD

*"Everybody thought you were great and thoroughly enjoyed the workshop we would love to have you back"*

Sam - Starlight Children's Foundation
