Come and join us for interactive creative fun sessions via ZOOM.

The virtual classes will boost their confidence and self-expression because in Toonworld there are no Mistakes in drawings, all kids creations are perfect the way they are.

TESTIMONIAL

Just wanted to thank you both for the sessions you presented during our school holidays. The kids really enjoyed the drawing opportunities and the interactivity with being able to share their artwork. We found the sessions a real lot of fun! Loved the way you engaged with the kids and spent the time allowing each child to share or discuss their work/suggestions and reinforced that THERE ARE NO MISTAKES!
