FOODTOONS SMOOTHIES

"Healthy alternative to Soft Drink"

Soft drink is typically full of sugar, preservatives and overall a beverage kids shouldn't be consuming regularly. Smoothies are a great alternative to soft drinks and are a fantastic way to add some extra nutrients. You can choose many unique combinations. They resemble simple alternative to milkshakes, frosty and thick shakes! Kids will love them!!

STRAWBERRY WATERMELON Smoothie

INGREDIENTS

- 4 cups watermelon, cube
- 2 cups frozen strawberries

INSTRUCTIONS

- Place both ingredients in a blender and blend until smooth.
- Serve immediately.
