TOONWORLD EDUCATION NEWSLETTER

Hi Everyone,

During this school holiday, we introduced our newest character "Curtis the Cry Baby" with great success!

With the help of our Toonpreneurs and Curtis, the children were able to share and draw away their fears.

We loved visiting the Toonworld community during Easter and hearing your feedback!!

As the weather starts to get colder across Australia, Toonworld has you covered for after-school term activities. We are now offering After-School Term activities for 3 - 5 weeks to empower the kids with Cartooning and Animation. Enquire today!

We are excited to create more wonderful memories with the Toonworld community during July School Holidays. Book in for Cartooning, Animation, or Clay Model Making. Ask about the special just mention the newsletter.

Check out the fun activity sheets for Mother's Day and National Sorry Day on pages 7-10.

Great experience visiting Cowra and empowering the local kids.

"GReAT THANK YOU"

The children at Theircare St Marys have had an amazing time today learning to make their own unique cartoons. All twenty were very engrossed in the session and they enjoyed how Oliver presented this workshop. Oliver gave each one of them a chance to come up and show their unique creations to the group.

Thanks for an amazing session, Oliver did well and the children will go back today with the learning that even a wrongly drawn line could be made into a cartoon. In appreciation the Children and the educators made him a thank you card, that they presented.

Thank you Theircare St Mary's
